MEMORANDUM FOR : Deputy Director for Support

THROUGH : Deputy Director for Plans

SUBJECT : Special HHE Storage Claim [REDACTED]

25X1A9A

1. This memorandum contains a recommendation in paragraph six below for approval by the Deputy Director for Support.

2. Subject returned from overseas tour in Saigon on 4 October 1963. His HHE from Saigon were scheduled to arrive on 5 November 1963 but failed to do so. Meanwhile several inquiries to [REDACTED] 25X1A6A [REDACTED] revealed no arrival of HHE. On the occasion of an inquiry on 20 December, Subject was told that he [REDACTED] would surely be 25X1 notified when they arrived. Meanwhile he continued to live in furnished quarters until 2 January 1964.

3. On moving into permanent quarters on 2 January it became necessary for Subject to purchase substitute china, crystal, and eating and cooking utensils for a family of eight as these articles were not among storage effects but had been shipped overseas with HHE. Several times during the period January - April Mrs. [REDACTED] 25X1A6A [REDACTED] inquired of [REDACTED] 25X1A6A [REDACTED] only to be told that they had received no papers on Subject's HHE shipment.

4. At the end of April Subject tracked down the shipment which it turned out had actually been received by [REDACTED] 25X1 Company on 30 December 1963. [REDACTED] shipping papers had still 25X1 not been received and were apparently lost. [REDACTED] of the 25X1 Office of Logistics surmises that the loss of the papers undoubtedly explains the absence of any query of her office by [REDACTED] on the 25X1 shipment or any notification that it was being held in storage. This is the first instance she can recall where [REDACTED] lost the shipping 25X1

papers. She also stated that there is no arrangement whereby the [] could absorb the cost of the extra storage charge.

5. Subject does not wish to claim reimbursement for substitute equipment purchased as he still retains and can use these articles in his size family. He does request consideration for a claim in the amount of \$53.52 which he had to pay [] delivery for excess storage for a three month period during which he received no notification of arrival of the HHE and during which period he and his family were greatly inconvenienced by non-delivery.

6. It is requested that Subject be reimbursed \$53.52 under the authority contained in []
